

Health and Fitness EIA Fund 3127

Each school receiving EIA Fund 3127 must publish on its website the title and publisher of all health education materials approved, adopted, and used in the classroom. If your school receives these funds, and does not comply with the publishing requirements, SCDE will reduce the allocation by 1%. Please ensure you review your website for these items, and adjust if necessary. If you have any questions, please contact Emily Paul at epaul@scharter.org.
