

## Felton Laboratory Charter School

### Title I School- Parent Compact 2021 - 2022

*Under No Child Left Behind, each Title I school jointly develops with parents a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the way in which the school and parents will build and develop a partnership to help children achieve the State's high standards.*

At Felton Laboratory Charter School the parents, students, and staff collaborated to develop this school-parent compact for achievement. Teachers suggested strategies to be used at home and parents added input about the kinds of support they needed to assist their children at home. Parents are encouraged to attend the annual Title I Meetings each year to review the compact and make suggestions. Parents are also encouraged to participate in the Annual Parent Engagement Survey used as a tool to collect parent feedback.
