

# FELTON LABORATORY CHARTER SCHOOL

Famon V. Whitfield, III  
Director

Windy M. Stephenson  
Assistant Director

November 10, 2022

Good Afternoon Felton Family,

Felton Laboratory Charter School will have an eLearning day, Friday, November 11, 2022. Parents and students should check with their child's teacher for assignments. A virtual eLearning day allows students to minimize any interruptions caused by inclement weather and continue to make educational progress. Students will have regular assigned classwork and teachers will be available electronically. Students will be required to complete and submit all assignments, as well as communicate with their teachers during the eLearning day. Any student experiencing difficulties should contact their teacher via email. We do apologize for any inconvenience that this may cause.

Sincerely,

Famon V. Whitfield, III  
Director
